

LEWIS AND CLARK HOA NEWS

INTRODUCTION

Hello Friends and Neighbors! At the last board meeting it was decided to put together a quarterly informal newsletter and publish it on our newly refurbished website lcsuh.com. The hope is that it will give every resident the opportunity to keep up with anything going on in our community. Right now we have three volunteers, Hollie Baker (Board member), Jan Hambleton (crazy English lady with a purple garage door) and Lori Hope (wife of Marty the Board member). If anyone else is interested we would love your input.....if not please be patient, we are doing our best and are by no means professionals at this.

BIG NEWS!

As you have probably noticed by now there are wooden stakes, seemingly randomly, appearing around the subdivision. The mystery is solved, these are the proposed sites of the soon to be erected streetlights. The motion passed at our recent ballot and the lights will be installed very soon. About time too I say (Jan).

WELCOME NEW RESIDENTS

We live in a somewhat transient neighborhood therefore homes change hands all the time. It would be great if we could personally welcome every newcomer to our community but having tried that for a couple of years I know it is not practical. However it would be nice if we could introduce new families here. Let us know of anyone you hear about moving in and we will do that

I WANT RID OF

Another good place where you can sell, swap, or give away unneeded items would be here. Just let us know and we can help.

I DIDN'T KNOW THAT! (MEET YOUR NEIGHBOR)

Hi, we are Jan and Dave Hambleton and we are very happy to be part of this community. We are originally from England but moved to the US in 1991 for a two year posting with work. WE ARE STILL HERE! THEY FORGOT TO SEND US HOME! Our two boys were 10 and 12 when we arrived in Lima Ohio but one is married with two little boys of his own and lives in Columbus Ohio and the other, used to live in Sellersburg but now, lives with his wife, eight year old daughter and four year old boy/girl twins in Land O Lakes Florida. Dave is supposed to be a retired engineer who worked in the oil/chemical field (he is doing some part time consulting work now) and I am a retired special needs teacher. We moved here from Houston Texas to help when our twin grand babies were born and are very happy to stay even though they have moved south. I try and keep busy by volunteering in the "First Steps Program" at Rauch two days a week and teaching greeting card making classes at the YMCA and Michaels craft store. Dave likes to play golf when he gets the opportunity and is also fulfilling a life long dream of learning to play the guitar. We both have mothers and family back in England so when we are not visiting and traveling in this country we spend time back in our home country. If you see us out and about walking our two little dogs, Connor and Cameron, please don't hesitate to stop and say hello and if you ever need help or just fancy some good old English tea just knock on our door (the purple one). You better be prepared to stay a while because I talk a lot.....a real lot.

DON'T BE SURPRISED IF SOMEONE ASKS YOU ABOUT A BRIEF BIOGRAPHY. THIS SECTION IS INCLUDED TO LEARN MORE ABOUT OUR NEIGHBORS.

CONGRATULATIONS

This is where we will be posting NEW BABIES, WEDDINGS, ACHIEVEMENTS, LOTTERY WINNERS (please notify committee members first so we can befriend you immediately...wink, wink), ETC.

For this newsletter we would like to congratulate:

Mr./Mrs. Cameron Schultz and Mr./Mrs. King on their recent marriages

Hayden Hope for making NTSPY's All Area Team in Golf and his school's Player of the Year Award

UPCOMING EVENTS

FALL BLOCK PARTY, FALL GARAGE SALE, TRICK OR TREAT NIGHT

SKILLS AND TALENTS

If you are part of our community and you have a skill or talent you are prepared to share please let us know and we can give you some free advertising. Maybe you are a plumber, repair cars, sell makeup, cut grass, walk dogs, whatever it may be, we are happy to pass that info on.

GOT SOMETHING TO SAY?

Points of view or information can be shared right here. Be fair, be kind and use common sense but let us know about concerts, sporting events, ideas, etc. No pissing and moaning, please!!! Be constructive and polite.
